Enter For Your Chance

To Win \$150 Holiday Give-away

Harold Dimond (left) holds sack of names entered in Holiday Give-away, as entrant draws winning ticket. Drawing now climbs to \$150. for this will take place at DJ's.

You can't even give away \$100. dollars in Heber City, or so it seems. as the Holiday Give-away once again had no winner.

The rules clearly state that the entrant must be present to win. This weeks lucky winner will not receive \$100., but \$150. as the drawing will be held at DJ's.

Last week's drawing was held at Wasatch Office Supply. Owner Harold Dimond held up the winning ticket, and the winner wasn't around to claim it.

The promotion is designed to give away \$50. a week. If winner isn't present the \$50. is added to the next week's pot.

John and JoAnn Lawrence, managers of Wasatch Snowmobile Rentals, show some of the 67 snow machines available for rent.

Snowmobile Rentals are Doing Great Things in Heber Valley

7 Feb 1985

MIDWAY—"We started out with 42 machines, and now we've got 67," said Wasatch Snowmobile Rentals Manager John

are let out at the State Park Golf Course, and groomed trails lead up into the back country, where the machine driving renters can drive at will.

The snowmobiles are in excellent condition, and brand new. Lawrence says that the machines are all maintained exceptionally well. The Rentals uses Yamaha Enticers, and Yamaha Excel 3, machines. Lawrence said that 95 percent of the business from the rentals comes from the Park City area, with the other 5 percent coming from the surrounding areas.

"We've got the trails groomed, real well," explained Lawrence, "and we've been maintaining good snow conditions."

Joanna Lawrence said that the trails go all around the loop in the upper mountains of the State Park. They travel up Snake Creek Canyon, down to Cascade Springs, to American Fork Canyon, and then back. Joanna said that John had to take one group the entire loop in one day, and said that the group enjoyed the long ride.

Wasatch Rental is connected with the West Yellowstone Firm that rents snowmobiles for travel into the Yellowstone area. The rentals are by the hour, half day, or day.

Along with the snow machine rentals, the office also carries a full line of cross-country ski equipment. This includes both boots, poles, and skis. They also have some clothing for rental.

The final round results were as follows:

- 98-Clyde pinned by Funk (U) 3rd;
- 105-Ripple pinned Phillips (U) 2nd;
- 112-Trimble dec. Nielson (U) 4-0;
- 119-S. Kelly lost to Frost (U) 8-1;
- 126-Nicol lost to Carter (U) 13-10;
- 138-J. Kelly pinned Brown (U)

Wasatch took first place bracketing will put them in a different position against Delta who is gaining for Wasatch at the State Title.

Delta, has had a strong team this year, after losing a strong team last year. A lot of good wrestlers have come up for Delta.
